FINANCIAL UNDERSTANDING -- MONTH OF ADMISSION TO STATE VETERANS HOMES

This letter explains why your first month payment may be different from future payments, how your payment amount is decided, and who you can talk to if you have questions.

Why will my first month payment be different?

Your first month payment is based on the number of days you will actually live at the Home multiplied by the Daily Rate. For example, you will be billed for the day you move in through the end of the month.

How is my cost of care determined?

Your cost of care will be determined based on your income or asset level. We take into account the following information when determining your cost of care:

- MEDICAID ELIGIBLE / MEDICAID PENDING: Determined by the Department of Social & Health Services (DSHS).
- PRIVATE PAY: Income and/or Assets exceed the daily rate for level of care
- INCOME: Medically indigent, Income and/or Assets are less than the daily rate for level of care.
- Medicare admissions require a cost of participation after day 20.

What is the amount of my first month payment?

The Veteran Benefits Specialist will determine your first month payment based on the number of days you will live at the Home and whether you will receive Nursing Home, Light Nursing or Domiciliary Care.

Who can I call if I have questions?

The Veteran Benefits Specialist is available to answer your questions. Please contact:

Washington Soldier's Home and Colony
The Washington Veteran's Home
The Spokane Veteran's Home

(360) 893-4519
(360) 895-4711
(509) 344-5779

.....

I understand that my first month payment is due on the day I move in. I also understand that the Veteran Benefits Specialist at the Home will estimate what my first month payment amount is on the day I move in. I agree to give the Veteran Benefits Specialist at the Home all the necessary financial documents to verify my income, assets and expenditures to assist in determining the amount of my first month payment.
